## President's Message

By Lance MacArthur

Here we are, well into the season; parties, dances, dinners and even a few cocktail get-togethers are taking our time as we enjoy the good weather and great friends at our little paradise.

In January, Board elections will take place. Owners have until 5PM, January 31 of 2014, to mail their ballots back in an enclosed, stamped and addressed envelopes. Please make sure to sign the back of the envelope to insure that it will be counted. We must receive 50% plus 1 ballots back from qualified voters, or the whole costly election will have to be repeated. This would be a colossal waste of money and resources, so I would implore you to PLEASE send in your ballot, even if you don't vote for anyone. Election results will be announced at the Feb 6, 2014 Board meeting.

Lots of projects have been taking place around the Park. This is great to see. Everyone who upgrades their house helps to keep the value up not just for them but for the whole Park. The only request I would have is to run your project through our Architectural Committee. That would be complying with our Rules and Regulations, and could give you valuable insights in correct procedures and saving money.

We have at least 85 units in the Park where owners do not reside, and are either rented, occupied by others or are vacant. It is part of the Board's obligation to see that when any of these units are occupied, that the

residents there comply with the CC&Rs with reference to age and Tenant Agreement forms. The Board is positioning itself to impose fines on owners whose tenants do not comply with our rather minimal requests. Keeping track of who is where is certainly a no-brainer in an emergency. Such information will be made available to our Emergency Preparedness Committee in case of an emergency.

Another new thing to get your attention: the President's Award. Looking to acknowledge staff members for exceptional service, the Board has established an award that the President can bestow on a deserving staff member. We actively solicit nominations for such an award from owners, renters or guests when a staff member provides service above and beyond expectations.

Mark January 21 and 22 on your calendar. The board will be sponsoring another neighborhood cleanup. We can't take haz-

## 2014 Board Candidates

This is the year to vote for your Board of Directors. We have 6 candidates of which you will elect 5. Here is more information on the candidates.

### Randy Clendaniel

Hi, my name is Randy Clendaniel and am a four-year resident of Desert Crest and am running for the Board of Directors.

I have met many friends here, found the love of my life, got married and merged our lives and families together.

I graduated from college in 1969 and entered the United States Air Force as a 2nd Lt. and a pilot candidate. I earned my wings and flew all over the world for the next twenty plus years before returning in 1990 from the Air Force. During that career I earned two masters degrees and then taught for the University of Alaska for many years.

I would immediately address two areas. One, deferred maintenance and safety concerns of the common areas and with follow-up to the owner of those areas. Two, improved communication between the Board of Directors and the residents.

I love the lifestyle of Desert Crest and together we can make it a much better place to live and enjoy.

### Bob Gleich, Director

Bob has been a Board member since 2012 and his formal Board duties are Nuisance Animal and Animal Compliance Issues and Membership in the 6:19 Committee. (The 6:19 Committee meets with the owner of the facilities to resolve contentious issues and to make sure that the owner replaces, repairs and maintains the property at a level equivalent to other Country Clubs in the Coachella Valley.)

Bob started the survey process to see what areas the board should focus on to improve our community. He has worked with Gary Schulz on cleaning up the park and with the Neighborhood Trash Pickup. He is helping staff in sug-

gesting repair priorities and assisting them in the sourcing of supplies via online ordering which is helping the owner control costs. Bob is an avid photographer and any attendees at Fun Club functions will have seen him buzzing around taking "Sweetheart Pictures".

### Robin Johnson, Director

My wife Deanna and I have lived on Parkside Drive since 1991. We spend summers in Montevideo, Minnesota.

I was in Human Resources Management for over 40 years, I also instructed Business and Management courses as Assistant Professor at Southwest Minnesota State University and as Adjunct Professor at Ridgewater College.

I have been actively involved in my community throughout my life. Having served on:

- Nursing home board
- Chamber of Commerce board
- Local neighborhood association
- Regional neighborhood association
- High school math and science magnet program steering committee

I have a strong sense of responsibility to my community. I am a team player and want to help make this a safe and attractive community.

### Lance MacArthur, President

I'd like to thank everyone for your votes on our Board election in 2012. It's been a privilege to serve and to be selected as your president. Desert Crest is a special place to live, and it would be my desire as a Board member to make sure it stays that way. I want to see more people involved in our activities and to take an active interest in keeping our community friendly, inexpensive and a proud place to live. If you are like-minded, I would solicit your vote to continue on your board.

**Lynn Waterman, Treasurer**

It has been my pleasure to serve as your treasurer when I was appointed to the Association Board in 2012 replacing Eugene Lambert when he retired. My primary duties include posting income and expense to the Association's books, preparing the financial reports each month and maintaining the supporting detail for the audit which is performed at the end of each fiscal year. I have served as treasurer of the Fun Club for seven years, treasurer and/or Co-Chairman of the Emergency Preparedness Committee since 2009 and I am active in other clubs and activities in the park.

I conceived the idea of "Meet Your Neighbor" a Board sponsored event, and if elected, I will promote the Board sponsored patio party in March 2014, the goal of which is to encourage community awareness making Desert Crest a safer and nicer place to live. I feel that I am qualified to serve as your treasurer again and I am seeking your vote on the January ballot.

**Terri Williams**

I am the newest Board member in Desert Crest, having been appointed in April. I was born and raised in Southern California and moved to Desert Crest in 2010. I have a background on both sides of boards. Executive Director of a non profit for several years and sat on as a board member for Inyo County Court Systems. I have just trained in CERT and am the treasurer on the Emergency Preparedness Committee.

I want your vote as I feel that I can bring a new positive and energetic voice to the board.

PLEASE submit your Voting ballot whether or not you vote for one of these candidates. Write your name, park residence and date on the return envelope. If we do not have enough votes, we will have to repeat the process, which is costly.

# Men's Golf

By Ron Grant

As of December 6<sup>th</sup> 2013 the Friday Morning Men's Golf League has 39 full time paid up members and 5 part time (weekly/monthly members). We are always looking for new members and believe me we are mostly all "hackers", so good or bad please join us for great fun and camaraderie. **A BIG THANK YOU** to John Nielsen for stepping up to the plate to organize these tournaments. Great job John!!

Another **BIG THANK YOU** goes out to Warren Minder for his continued vigilance of our golf course. Warren has put in a lot of time and travel working on the "fire ant" problem we have on our golf course. He has worked with the Riverside County people, Vector Control and Jessica (park owner) to finally have the entire course sprinkled with a pebble type pesticide that will eventually rid us of those nasty unwanted guests. What would we do without you Warren?

## Emergency Preparedness

By Lynn Waterman

Seismologist Dr. Lucy Jones has referred to the Coachella Valley as "the most dangerous place to live in the United States". The southern portion of the San Andreas Fault is overdue for an earthquake of major proportions. In addition, federal, state, and county governments have declared that the likelihood of a disaster occurring due to natural causes such as an earthquake is extremely high in our lifetime. Also, depending upon the size and scope of the calamity, it might require that each community be self sufficient for food, water, shelter, medical services, hygiene and other personal care requirements for at least seven (7) days before outside help could be expected to arrive. In addition there are numerous emergency conditions that occur unexpectedly, such as prolonged power outages during hot weather, automobile accidents, fires, windstorms, hazardous material spills, other types of incidents that are not considered of disastrous proportions but need action by qualified personnel prior to trained professionals arriving on the scene. The establishment of the Emergency Preparedness Committee (EPC) on November 6, 2009 was an excellent starting point in meeting the needs of our community. It is the objective of the Desert Crest Community Association to support, by all available means, the development and operation of an EPC within our Association, by enlisting the cooperation and assistance of all residents of Desert Crest to become a self-sufficient community. Your EPC has stockpiled tools, supplies, and equipment

for use in the event of such an emergency. It has also arranged search and rescue training through the Community Emergency Response Team (CERT) offered by the County of Riverside.

We currently have twenty-eight (28) CERT trained members and are adding eight (8) more in December. Please do your part by becoming prepared.

## Shuffleboard

By Ron Grant

The Desert Crest Shuffleboard Club is well underway this season with several games already having been played in both the Desert Shuffler's League and the High Ten League. We have already surpassed last year's win/loss record in these two leagues and are the talk of the Shuffling Community. If our Club's president could only get his game together, Desert Crest could make a challenge for first place in both leagues.

Our regular Monday morning "in-house" shuffleboard competition and Tuesday evening's "Fun Night" have drawn a lot of interest and fun and we will continue to offer these carefree, laid-back games to all those interested. Please come out and give it a try.

The Monday morning competition begins at 10:00 a.m. and we ask that you arrive by 9:45 at the latest, in order that we can organize the matches prior to the 10:00 o'clock start time.

The Tuesday evening "fun night" begins at 6:30 p.m. and we ask that you arrive no later than 6:15, again in order to organize the matches prior to the 6:30 start time.

## HELP---HELP. THIS IS A CALL TO ALL BOOSTERS OF OUR COMMUNITY!

We were successful before. We can do it again.

This time we are focusing on our swimming pool area. We have purchased 8 new, matching, cast aluminum benches for our spa and pool area. Cost of these benches is \$1,600. We have \$330 left over from our previous cleanup and beautification effort. We are asking Jessica to match the money we donate dollar for dollar.

When we have raised the money for the rest of the funding for the benches, we want to improve the patio and BBQ area east of the wrought iron railings that we put in before. The improvements we have in mind are a new, attractive enclosure for the BBQ's, a counter for potluck serving; also, new furniture.

If you can help, direct donations to:

Gary Schulz                      641-512-5606

Mary MacArthur                760-671-5169

Lynn Waterman                760-285-9645

Also, I want to ask everyone to be pro-active in the election of our Board members. Get out and vote!! We need 50% + 1 for our election.

Merry Christmas and Happy New Year.

Thank you,

Gary Schulz

## UPCOMING EVENTS

### Christmas

Christmas dinner pot luck will be on Christmas eve, December 24th from 2 - 5 pm. A baked ham will be contributed by Jessica Kim and prepared by Ernie Kukulola. This event will be coordinated by Illa Madden. Please sign up at the club office and choose your food contribution.

### Community Auction

Save your valuables to donate to the Auction which will be held Thursday, January 9th.

We ask you bring your donations up to the clubhouse on the 9th or call Ray Kendrick or Earl McMillan for pickup. Starting at 4:00 pm, buyers can check out the merchandise to plan their purchases. Hot dogs, wine, coffee and punch will be available for purchase. Start now to find items (new and slightly used) to donate to this worthy cause.

### Neighborhood Cleanup

The Board will be distributing Flyers to tell you more about the Neighborhood Clean-up, scheduled to take place January 21 & 22. Shortly after the auction takes place.

Robin Johnson and Bob Gleich will be coordinating this event.

### Golf Cart Tip

Our dry climate evaporates the water out of golf cart batteries, exposing the plates and making them vulnerable to early failure. Check the water in your batteries at least once a month, and fill with distilled water as needed. Let the fresh water settle for an hour or more and charge the system fully.

*President's Message* from page 1

ardous materials this time, which would include things like batteries and paint (call [855 724 6809](tel:8557246809) to get information on discarding hazardous materials). But if you have other stuff, that will be picked up.

Finally, thank you to everyone who showed up for the Neighborhood Get-togethers with stuffed baked potatoes. More than 180 of you showed up to socialize with your neighbors and got a chance to interact with the Board members. This was a great success, and we will have another neighborhood event in March.

### Board Activities

Several new functions, committees and events sponsored by your current Board of Directors have been well-received, and will be continued and enhanced.

The "Get to Know Your Neighbors" event drew more than 180 of you to sit and chat with your neighbors, enjoy a free meal and mingle with the Board members. Lynn Waterman will be coordinating another event with Terri Williams to further involve neighbors meeting neighbors and encouraging Neighborhood Watch groups.

The Board's 6.19 Committee has been enhanced with new members and is actively working with the owner of the facilities to correct problems. Bob Gleich of the 6.19 Committee photographed more than 20 items of problems needing correction by the owner and has been instrumental in working with the owner and staff in the palm tree lighting, new signs and other enhancements.

Lynn Waterman has helped build community involvement with her activities in the Fun Club, Shuffleboard and Emergency Preparedness and has kept our books in working order.

Robin Johnson and Bob Gleich were instrumental in aiding Gary Schultz in the park cleanup and will begin it again in January.

## Rental Process

The Desert Crest CC&R's specify a number of procedures that are supposed to be followed when a unit in the complex is rented. This includes owners with multiple units as well as owners who rent out their single residence. To refresh everyone's memory on issues that have not received 100% compliance:

- All owners must fill out an Association Tenant's Agreement form
- All renters must fill out an age and status report form
- All renters receiving an orange owner/tenant badge must surrender it to the office and receive a pink renter's badge. (Office hours are between 10am-2pm M-F)
- All renters must have a qualifying senior (55+) living in the unit

Staff members are authorized to check badges and require non-complying renters to leave the Club facilities.

Owners who do comply and/or do not have their tenants comply with the Rules will be notified with a letter and subsequently fined.

\*\*\*\*\*

## Pets

There are those who love their animals as if they were members of the family and treat them as such. Other property owners want their peace and quiet and do not want to be disturbed by the noise made by animals and dislike them trespassing upon their property. We have rules in our CC&R's and most are also required by Riverside County.

We try to keep harmony with all of our neighbors and so we have an appointed Board member, Bob Gleich to help with this. To help Bob:

## Lives Remembered

### **Martha Remillard 1930 - 2013**

Passed away October 17th. She had been ill for awhile. Martha and her husband Allen resided on Valley View Drive Dr.

\*\*\*\*\*

*(Pets Continued)*

### **Pick up after your pet**

No one wants to step on your pet's waste nor do they want to pick it up out of their yard. There is even an ordinance about leaving it in the desert. Please carry a bag to pick up their waste when you walk your pet.

### **Keep your pet on a leash**

Even friendly dogs who "like everyone" can attack or be attacked by other dogs. There are wild dogs who come into the Park occasionally. Riverside County Ordinance 8.04.050 is the Leash Law. It is also required by our CC&R's.

### **Curtail Barking**

Riverside County has a Noisy Animal clerk. They can fine you and even take your dog. Please try to train your dog not to continuously bark.
