

DESERT CREST COMMUNITY ASSOCIATION

Rules and Regulations

OVERVIEW

The Desert Crest Community Association was incorporated February 19, 1963, as a General California Corporation (For Profit) “To administrate, regulate, and control the Covenants, Conditions, and Restrictions of Desert Crest.” In addition, promote the general good and welfare of members and encourage close friendship and cooperation. On July 28, 2000 the Association was converted to a California Nonprofit Mutual Benefit Corporation.

A seven (7) member Board of Directors that is elected by the property owners runs the business of the Corporation/Association. The Association and its Board are given authority from the Governing Documents that require approval of a majority of the property owners to develop and modify. These documents consist of the following:

1. Articles of Incorporation
2. Declaration of Restrictions
3. Association Bylaws

Desert Crest Country Club was developed in three (3) sections over a period of approximately fifteen (15) years. The first Tract 2431, Section 1, was recorded in 1963 and consisted of two hundred and eighty-one (281) residential lots and three (3) parcels containing the recreational facilities, (golf course, club house, pools and other amenities). In 1965 tract 3068, section II, was recorded with one hundred and forty-seven (147) residential lots, and finally in 1971, Tract 4064, Section III was developed with one hundred and fifty-four (154) residential lots for a total of five hundred and eighty-two (582) residential lots.

To meet the objectives of the governing documents, it is necessary for the Association to clarify some of the Covenants, Conditions, and Restrictions (CC&R's) by establishing Rules and Regulations from time to time and to also develop a procedure for enforcement in a fair and consistent manner.

The following Rules and Regulations, Procedures, and Appeal process attempts to provide the necessary guidelines to meet this objective.

Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the Senior Citizen, a Qualified Permanent Resident may continue his or her occupancy, residency, or use of the lot as a permitted resident. Temporary residency by any person who is not a Senior Citizen, Qualified Permanent Resident or Permitted Health Care Resident will be allowed for periods of time not to exceed sixty (60) days in any year. In the event of a conflict between this Section and the provision of the *Federal Housing Amendments Act of 1988*, and/or *California Civil Code* Section 51.11 et seq., or any subsequent modification or revision of these or other pertinent laws and regulations, the provisions of the prevailing statute will control.

A) **Statement of Intent to Provide Housing for Seniors**

Desert Crest is a senior citizens housing development, also referred to as “housing for older persons”. To the fullest extent permitted by federal, state, and local law, it is the intent of Desert Crest to operate as housing for Senior Citizens (that is, persons 55 years of age or older), and to that end, occupancy of dwelling in this project shall be restricted to Senior Citizens, except as provided herein below.

B) **Definitions**

Following are definitions applicable to this article.

- 1) **“Laws”** shall mean and refer to: the Federal Fair Housing Amendments Act of 1988 (42 U.S.C. Par3601 et seq.), California’s “Unruh Civil Rights Act” (California Civil Code Par51 et seq.), and California Government Code Par12955.9, as the same may be amended from time to time.
- 2) **“Permitted Health Care Resident”** shall mean and refer to a person hired to provide live-in, long-term, or terminal health care to a Senior Citizen, or family member of the Senior Citizen providing that care. The care provided by a Permitted Health Care Resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both.
- 3) **“Project”** shall mean and refer to the real property commonly referred to as Desert Crest Community Association, whose legal description is described in Recital A, C, and E of the Declaration of Restrictions of said association recorded in the County of Riverside on July 12, 2002, Instrument No. 2002-383429.
- 4) **“Qualified Permanent Resident”** means a person who satisfies the following requirements:
 - a) Resided with the Senior Citizen prior to the death, hospitalization or other prolonged absence of, or the dissolution of marriage with the Senior Citizen, and
 - b) Is (i) forty-five (45) years of age or older, (ii) a spouse or cohabitant of the senior, or (iii) providing primary physical or economic support to the Senior Citizen.
- 5) **“Qualified Permanent Resident by Virtue of Disability”** shall mean a disabled person or persons with a disabling illness or injury who is a child or grandchild of the Senior Citizen or Qualified Permanent Resident as defined in B (4) above, because of the disabling condition, illness or injury.
- 6) **“Senior Citizen”** means a person that is 55 years of age or older.

C) **Residency Restrictions**

1) Permissible Occupants and Requirement that Eight Percent (80%) of the Dwellings shall be Occupied by a Senior Citizen.

The persons commencing any occupancy of a dwelling in this Project shall include at least one Senior Citizen who intends to occupy the dwelling in the project as his or her primary residence on a permanent basis. All other persons occupying the dwelling at any time shall be either Qualified Permanent Residents, Qualified Permanent Residents by Virtue of Disability, Permitted Health Care Residents, or persons who lawfully occupied the dwelling prior to May 19, 1992. These persons shall be collectively referred to as “Qualified Occupants.”

Notwithstanding the foregoing, no more than (20%) of the occupied dwellings within the Project shall be occupied solely by persons who are not Senior Citizens.

2) Age Verification

All occupants of the Project must provide verification of age, in a form and at the time or times as directed by the Board of Directors of Desert Crest Community Association. Such age verification shall occur not less than once every two years. The Board of Directors is empowered to enact rules and regulations by Article 7.02 of the Declaration of Restrictions to assure compliance with Laws regarding housing for older persons, including age verification; furthermore, said rules and regulations may include pre-screening requirements for all residents in the Project.

3) Guests

A person not otherwise qualified for residency may remain in the dwelling as a guest of the Qualified Occupants, for a period not to exceed sixty (60) days in any calendar year. Any person who resides in the dwelling for more than sixty (60) days in any calendar year shall be deemed a resident; said person must submit an age verification in the form specified by the project, and must be qualified for residency (that is, must be Qualified Occupant) in order to remain. For the purpose of calculating the sixty (60) day period described in this section, presence in the dwelling for more than 12 hours per day, or overnight, shall constitute a day's stay. Notwithstanding the foregoing, if a person determines to occupy the dwelling on a permanent basis, that person shall become a resident, and not a guest, regardless of the length of the stay, and must qualify for residency pursuant to Article C (1).

4) Termination of Residency of Disabled Qualified Permanent Resident by Virtue of Disability.

Any owner of a dwelling in the Project, or the Board of Directors of the Desert Crest Community Association, may take action to prohibit or terminate occupancy by a person who is a Qualified Permanent Resident by Virtue of Disability (as defined in Article B (5) above), if the owner or the governing body finds, based on credible and objective evidence, that such person is likely to pose a significant threat to the health and safety of others that cannot be ameliorated by means of reasonable accommodations, providing, however, that the termination of residency can take place only after the following:

- a) Notice to the disabled person and the disabled person's co-resident parent or grandparent of (i) the basis for the proposed termination of residency, and (ii) a hearing before the Board of Directions of the Project, wherein the disabled person and/or his/her co-resident parent or grandparent may be heard on the subject.
- b) The notice of hearing shall provide for a hearing date no less than ten (10) days from the date of the notice.
- c) The decision to terminate residency of the disabled person shall be made only after due consideration is given to the relevant, credible and objective information provided in the hearing. The evidence shall be taken and held in a confidential manner, pursuant to a closed session in order to preserve the privacy of the affected persons. The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or assist them in the matter.

Nothing in this provision shall be construed as requiring the Board of Directors to take action to terminate a disabled person's residency.

5) **Restrictions Pertaining to Permitted Health Care Residents**

A permitted Health Care Resident shall not be a Qualified Permanent Resident. However, a Permitted Health Care Resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit in the absence of the Senior Citizen, only if both of the following are applicable:

a) The Senior Citizen became absent from the dwelling due to hospitalization or other necessary medical treatment and expects to return to his or her residence within 90 days from the date the absence began.

b) The absent Senior Citizen or an authorized person acting for the Senior Citizen submits a written request to the owner of the dwelling, or Board of Directors of the Project, stating that the Senior Citizen desires that the Permitted Health Care Resident be allowed to remain in order to be present when the Senior Citizen returns to reside in the Project.

6) **Requirement to Include Age Restrictions in Lease Agreements**

The governing documents of Desert Crest Community Association restrict the renting or leasing of housing units to a period of less than thirty (30) days. The documents further state **that “All landlords must have their lessees/renters sign an Association Tenant’s Agreement form before their tenants sign a lease or rental contract. Said Tenant’s Agreement form will provide proof of compliance with the age restrictions of a Senior Housing Development, and agree to abide by all Association and Club Rules and Regulations. The Association will make said agreement available to landlords upon request. The landlord must provide a copy of completed Tenant’s Agreements form to the Association and the Club.”** In addition to the above requirement, the owner shall include in any rental or lease agreement that **“Desert Crest is a senior community and as such, at least one occupant must be at least 55 years of age or older and all other occupants of the dwelling must meet requirements as a ‘Qualified Occupant’ as defined in Article B above, of the Rules and Regulations of the Desert Crest Community Association. Any guest not meeting these requirements will only be allowed occupancy for 60 days in any calendar year.”**

7) **Owners Requirement to Provide Written Notice of Sale**

All owners selling their property are responsible for providing written notice to the association for contact information of the new owners prior to the close of escrow, or if an escrow company is not used, prior to the effective date of the contract; and in addition, provide notification to the new owners that prior to beginning occupancy, age and status verification forms must be prepared by all new owners and/or potential occupants and approved by the association.

D. Procedural Restrictions Pertaining to Age Restrictions

1) Enforcement

The Association and any one or more of its Owners or Members shall each be empowered to enforce compliance with applicable Laws, as such may be amended or supplemented from time to time hereafter. Notwithstanding any provisions regarding enforcement of the restrictions in this restated Rules and Regulations, action may be taken against any member and/or occupant refusing to comply with reporting age verification and status information required by the Association to maintain Senior Community standing and will be enforced as outlined in Article IX of the Declarations of Restrictions.

2) Conflicts

If there is any inconsistency or conflict between the provision of this Article and any other provision in the Declaration of Restrictions, Bylaws, Federal and/or State laws then they shall prevail.
